THIS AGREEMENT, entered into by and between the CITY OF SUNNYVALE, a municipal corporation of the State of California, herein referred to as "City", and the COUNTY OF SANTA CLARA, a political subdivision of the State of California, herein referred to as "County";

WHEREAS, it has been determined that the public welfare, safety, convenience and necessity require that the intersections of Wolfe Road and El Camino Real, and Wolfe Road and Fremont Avenue be modified to improve traffic signals, safety lighting, traffic channelization and roadway surface and to improve Wolfe Road in the vicinity of the said intersections.

WHEREAS, the total estimated cost of this improvement is \$100,000 and the State of California has agreed that the sum of \$40,000 is the estimated share of the costs to be paid by State of California for that portion of the improvements relating to El Camino Real, a State Highway; and

WHEREAS, the City and County wish to provide for the payment of their respective shares of the local costs which is estimated to be \$60,000.00; and

WHEREAS, 75% of the local costs will be expended within the City of Sunnyvale and 25% will be expended within the unincorporated territory of the County.

NOW, THEREFORE, the City and County agree as follows:

1. Approval of plans and award of contracts. City shall prepare plans and specifications for said projects and submit copies of said plans and specifications to County for approval thereof. Upon the approval of plans and specifications by County, City shall advertise for bids for the construction of said projects, award a contract, or contracts, therefor, and supervise the construction thereof to completion. City agrees to require any contractor engaged to perform any or all of said projects to take out and maintain in full force and effect, during the construction of said projects, public liability and property damage insurance in form and limits of liability acceptable to County, insuring County, its officers and employees, from and against loss, cost, or expense arising out of or in any way connected with the construction of said projects.

1-Sunnyvale
1-Finance
1-Public Works

2. Payment. Within thirty (30) days after approval by County of the plans and specifications for said projects, County shall pay to City the sum of Fifteen Thousand Dollars (\$15,000.00) which is the amount presently estimated by City to be one-fourth of the combined total local costs for the modification of the intersections of Wolfe Road and El Camino Real, and Wolfe Road and Fremont Avenue, and the improvements of portions of Wolfe Road in the vicinity of said intersections.

3. Accounting.

(a) As used in this Agreement, the term "local costs" shall be defined as all costs incurred and expenditures made by City for right of way or construction as required to accomplish the improvements as shown in the aforementioned plans and specifications and lying outside the limits of El Camino Real, a State Highway. Local costs shall include, but not be limited to, engineering costs and expenses, costs and expenses of preparing plans and specifications, costs and expenses for inspection, publication, advertising and printing, costs of the construction contract, or contracts, awarded by City for the construction of said projects, costs of extra work authorized by City, costs of all materials not included in the contract price of said construction contract, or contracts, costs of right of way and all costs incidental to acquiring right of way.

(b) Upon completion of the work required under the construction contract, or contracts, City shall pay to the contractor, or contractors, the contract price and any costs of extra work authorized by City, and shall thereafter prepare and furnish to County a complete final accounting of said costs.

In the event said accounting shows that one-fourth of the final local costs of modifying said intersections, and improving portions of Wolfe Road in the vicinity of said intersections, is less than the sum advanced by County to City under paragraph 2 hereof, City shall refund to County the difference between the sum advanced and one-fourth of the final local costs of modifying said intersections, and improving portions of Wolfe Road in the

vicinity of said intersections. In no event shall County be required to pay more than the sum of Fifteen Thousand Dollars (\$15,000.00) as specified in paragraph 2 hereof.

4. This agreement shall terminate on April 1, 1969, if the City has not awarded a contract, or contracts, prior to said date for any of said projects. City shall refund to County the sum advanced under paragraph 2 hereof in the event no contract for any of said projects has been awarded prior to April 1, 1969.

IN WITNESS WHEREOF, County and City have caused this agreement to be executed by its duly authorized officers as follows: By

County OCT 7 1968, and by City SEP 24 1968, 1968.
