

ORDINANCE NO. NS-4.2  
(No. 15)

AN ORDINANCE GRANTING PERMISSION TO THE SAN JOSE AND SANTA CLARA RAILROAD COMPANY TO USE ELECTRICITY TO PROPEL ITS CARS ON THE SAN JOSE AND ALUM ROCK RAILROAD, TO ERECT POLES, TO STRETCH WIRES AND TO CONSTRUCT SWITCHES, TURNOUTS AND SIDETRACKS FOR THAT PURPOSE.

The Board of Supervisors of Santa Clara County, California,  
does ordain as follows:

SECTION I.

Permission is hereby granted to the San Jose and Santa Clara Railroad Company, its successors and assigns, to propel its cars on the San Jose and Alum Rock Railroad by means of electricity as the motive power and, for this purpose, to erect poles, stretch span and trolley wires and to conduct all necessary side tracks, switches and turnouts on the public highways of Santa Clara County over which said Railroad is located. Provided, that said poles shall be erected, said wires stretched and said side tracks, switches and turnouts constructed at such points and in such a manner as shall be satisfactory to the Board of Supervisors of Santa Clara County who shall approve said work before it is put in operation.

SECTION II.

Permission is hereby granted to the San Jose and Santa Clara Railroad Company to lower the bridge on the Penitencia Road, at the crossing of the San Jose and Alum Rock Railroad, or otherwise make it possible for a level crossing for said Railroad over the County Road at a point short distance below said bridge. Said work to be done and the crossing made as to manner and place to be approved of by the Supervisor of the District in which said work is situated; said approval to be in writing and accompanied by a plan and description of the work proposed to be performed.

SECTION III.

This Ordinance shall take effect and be in force on and after fifteen days from its passage and approval.

Passed this 2nd day of December, 1901, by the following vote:

AYES: Supervisors, Austin, Stern, Roll Knowles and Rea.

NOES: Supervisors, None.

ABSENT: Supervisors, None.
