

To the Honorable Board of Supervisors of Santa Clara County, California,

GENTLEMEN:

Your Committee, to whom was referred the Petition of.....

to accept..... BARRY LANE.....

and to declare the same to be a Public County Road, respectfully reports:

I have examined into the matter and find that the said..... BARRY LANE.....

has been regularly dedicated to public use as a highway by a map thereof, with a formal deed of dedication endorsed thereon, which said map is on file and of record in the office of the County Recorder of Santa Clara County, California, in Map Book..... 15....., at page..... 23....., of the records of said county.....

I further find that said proposed road is a public necessity.

I would therefore recommend that said..... BARRY LANE.....

....., as the same is laid out and delineated on the map herein before referred to, be accepted and declared to be a Public County Road.....
