AGREEMENT BETWEEN COUNTY OF SANTA CLARA
AND CITY OF CAMPBELL RELATING TO
IMPROVEMENT OF BASCOM AVENUE FROM
LOS GATOS CREEK TO HAMILTON AVENUE

This is an agreement between the County of Santa Clara, State of California (County), and the City of Campbell (City) to improve Bascom Avenue from Los Gatos Creek to Hamilton Avenue.

IT IS AGREED between the parties as follows:

1. Preparation of Plans and Specifications

County shall prepare and submit to City for approval plans and specifications for the improvement of Bascom Avenue from Los Gatos Creek to Hamilton Avenue. Upon approval by City, County shall advertise the project for bids and shall award a contract to be supervised to completion by County.

2. City's Share of Cost

Within thirty (30) days after approval by City of the plans, and specifications, City shall pay to County the amount, as mutually agreed upon by the parties, which will be necessary to match the urban extension funds to be received from the State of California by City for that portion of the project which lies within incorporated area of City. When the aforementioned urban extension funds are received by City, they, too, shall be paid to County. Upon completion of the project County shall submit to City a final accounting of the total construction cost for improving Bascom Avenue from Los Gatos Creek to Hamilton Avenue. As used in this agreement, the term "construction cost" shall mean the total of all costs incurred and expenditures made by County in connection with constructing the above described project but the term shall not include legal fees or other costs incurred by

the parties in acquiring the necessary rights of way for the project within their respective jurisdictions. City's share of the project shall be that amount of the aforementioned construction cost expended on the portion of the project which lies within incorporated territory of City. In the event the aforementioned final accounting shows that the sum advanced to County is less than City's share of the total construction cost, City shall pay County the difference within sixty (60) days from receipt of the final accounting. However, in the event this final accounting shows that the sum advanced to County is more than City's share of the total construction cost, County shall return the difference to City within sixty (60) days.

3. Parties to Provide Necessary Rights of Way

County shall provide at its own expense all rights of way required for construction of the project within the unincorporated area of County and City shall provide at its own expense all rights of way required for construction of the project within the incorporated area of City.

4. Insurance

City shall require any contractor awarded the contract to have public liability and property damage insurance in form and limits of liability acceptable to City and County, insuring City and County and their respective officers and employees from and against any loss, cost or expense arising out of or in any way connected with the construction of the above described project.

IN WITNESS WHEREOF, the parties hereto have executed this agreement as of MAR 3 1970.
