TITLE: COST-SHARING AGREEMENT BETWEEN COUNTY OF SANTA CLARA AND
CITY OF CAMPBELL RELATING TO IMPROVEMENT OF BASCOM AVENUE

DESCRIPTION:

The agreement provides for the sharing of costs for the improvement of Bascom Avenue between Union Avenue and National Avenue. This project is an extension of the project currently under construction on Bascom Avenue between San Carlos Street and Union Avenue.

The County has received an allocation from the California Highway Commission for Urban Extension Funds to be used on this project.

A cooperative agreement has already been executed by the County and the City of San Jose regarding their respective shares of the construction costs of the project.

Recently the City of Campbell annexed one parcel lying within the project limits. This parcel is one lot. The cost of the improvements directly attributable to this lot is \$4,500, which is less than 1/2% of the total cost of the project. This amount has already been agreed to by Campbell and the County as Campbell's share of the construction cost of the project.

The agreement has already been executed by the City of Campbell.

Approval is recommended.
