**Mrs. Jo Leibfritz, Town Clerk  
Town of Los Gatos  
110 East Main Street  
Los Gatos, California**

**Subject: Agreement with Town of Los Gatos  
For Improvement of Bascom Avenue btw Lark  
Avenue and Shannon Road**

**Dear Mrs. Leibfritz:**

Enclosed you will find a fully executed copy of subject agreement between the County of Santa Clara and the party (ies) named above. The Board of Supervisors at its regularly scheduled meeting on February 28, 1966 approved this agreement on behalf of the County.

The enclosed copy is for your records.

Very truly yours,

JEAN PULLAN, Clerk  
of the Board of Supervisors

No. 3

#15

AGREEMENT BETWEEN THE COUNTY OF SANTA CLARA AND  
THE TOWN OF LOS GATOS FOR THE IMPROVEMENT OF  
BASCOM AVENUE BETWEEN LARK AVENUE AND SHANNON ROAD

WHEREAS, the COUNTY OF SANTA CLARA (County) and the TOWN OF LOS GATOS (Town) desire to improve South Bascom Avenue (also known as San Jose Avenue) between Lark Avenue and Shannon Road (referred to as "the project") by widening and realigning the road and constructing necessary appurtenances thereto:

NOW, THEREFORE, the parties agree as follows:

1. PLANS AND SPECIFICATIONS

County shall prepare and submit to Town for approval plans and specifications for the construction of the project and for the installation of two storm sewer trunk lines (referred to as "the storm lines") described as follows:

(a) From the intersection of Blossom Hill Road and Old Roberts Road to Los Gatos Creek near the headwaters of Vasona Lake and the extension of existing storm sewers easterly along Old Roberts Road to the intersection of the San Jose-Los Gatos Road; and

(b) From the intersection of Farley Road and Izorah Road along Farley Road to the intersection of that road with the highwater line of Vasona Lake.

2. AWARD OF CONTRACT

After approval of the plans and specifications by Town, County shall advertise for bids for the construction of the project and the installation of the storm lines, award a contract therefor, and supervise the construction and installation to completion. County shall require any contractor engaged to construct the project and install the storm lines to take out and maintain in full force and effect during construction and installation public liability and property damage insurance in form and limits acceptable to County and Town.

3. ACQUISITION OF RIGHT OF WAY

Town shall, at its own expense, acquire all real property necessary for the construction of the project and the installation of the storm lines. Title to the property or a court order of immediate possession shall be

FEB 28 1966

obtained by Town before County shall be obligated to award a contract for the construction of the project or the installation of the storm lines; provided, however, that County shall have the option to proceed with construction of the project or installation of the storm lines before title is obtained.

#### 4. CONSTRUCTION OF IMPROVEMENTS BY TOWN

Town shall prepare and submit to County for approval plans and specifications for the construction of street improvements at the intersection of Bascom Avenue and Los Gatos-Almaden Road. Upon approval of the plans and specifications, Town shall advertise for bids for the construction of the improvements, award a contract therefor, and supervise the construction to completion. The construction of the street improvements shall be completed before County shall be obligated to award a contract for the construction of the project or the installation of the storm lines; provided, however, that County shall have the option to proceed with construction of the project or installation of the storm lines before the construction of the improvements is completed.

#### 5. COST OF CONSTRUCTION

(a) Town shall pay to County as Town's share of the cost of construction of the project and the installation of the storm lines, the sum of Two Hundred Thousand Dollars (\$200,000) less the amount paid by Town for the construction of the street improvements at the intersection of Bascom Avenue and Los Gatos-Almaden Road.

(b) Within ten days after County awards a contract for the installation of the storm lines, Town shall pay Thirty-Five Thousand Dollars (\$35,000) to County as a part of Town's share of the cost of construction of the project and the installation of the storm lines.

(c) Within ten (10) days after County awards a contract for the construction of the project, Town shall pay to County the balance of Town's share of the cost of construction.

#### 6. RECISION OF PREVIOUS AGREEMENTS

The agreement between County and Town dated May 4, 1964 providing for the improvement of the intersection of Bascom Avenue and Los Gatos-Almaden

Road and the amendment to that agreement dated May 17, 1965 are hereby rescinded.

7. TERMINATION

If County does not award a contract for the construction of the project or the installation of the storm lines on or before July 1, 1968, this agreement shall terminate ipso facto upon that date and shall be of no further force and effect. Termination of this agreement for failure to award a contract shall be without obligation or expense of any kind whatsoever to County or Town.

IN WITNESS WHEREOF, the parties have caused this agreement to be executed.

TRANSMITTAL MEMORANDUM

DEPARTMENT OF PUBLIC WORKS

DATE: February 18, 1966

FOR: BOARD OF SUPERVISORS AGENDA OF February 28, 1966

FROM: Steffani, Design, Public Works

TITLE: Agreement Between the County and the Town of Los Gatos for the Improvement of Bascom Avenue between Lark Avenue and Shannon Road.

DESCRIPTION:

Attached is a cost sharing agreement between the County and the Town of Los Gatos for the installation of two storm sewer trunk lines and for the widening of South Bascom Avenue between Lark Avenue and Shannon Road.

This agreement is in accord with the conditions listed in a verbal report to the Board of Supervisors given February 7, 1966.

Funds sufficient for this project were provided in the 1965-1966 budget.

Approval is recommended.

Mr. Donald F. McIntyre, Town Manager  
Town of Los Gatos  
Town Hall  
Los Gatos, California

Subject: Joint Street and Storm Sewer Project  
(San Jose Avenue) *Passcom between Lark & Shannon*

Dear Mr. McIntyre:

The Board of Supervisors considered your request for a joint street and storm sewer project along San Jose Avenue (South Bascom Avenue) at its meeting on December 13, 1965.

The Board has instructed the Department of Public Works to prepare a proposed cooperative agreement between the Town of Los Gatos and Santa Clara County for its further consideration.

Very truly yours,

BOARD OF SUPERVISORS

Mr. E. C. Steffani  
Assistant County Engineer  
Department of Public Works  
20 West Hedding Street  
San Jose, California 95110

Dear Mr. Steffani:

This is to advise you that at their meeting of November 22, 1965, the Town Council authorized the staff to make an official request to the County for a joint street and storm sewer project along San Jose Avenue (Bascom Avenue) which would provide for its ultimate widening from Shannon Road to Lark Avenue, with complete signalization at Shannon, Blossom Hill, Los Gatos-Almaden, and Lark Avenue.

In addition, the project should provide for the construction of a complete drainage system in the area generally bounded by San Jose Avenue, Roberts Road, the freeway, and Farley Road, as well as necessary drainage facilities in San Jose Avenue.

At the present time, the Town of Los Gatos has approximately \$125,000.00 budgeted for street and storm drainage improvements in this area, and the Council has authorized an additional \$75,000.00 which would be included in the 1966-67 budget, bringing the Town's available funds for this project to approximately \$200,000.00.

It would be appreciated if the County would study this problem and develop plans which would provide these improvements on a joint project basis.

Thank you for your cooperation.

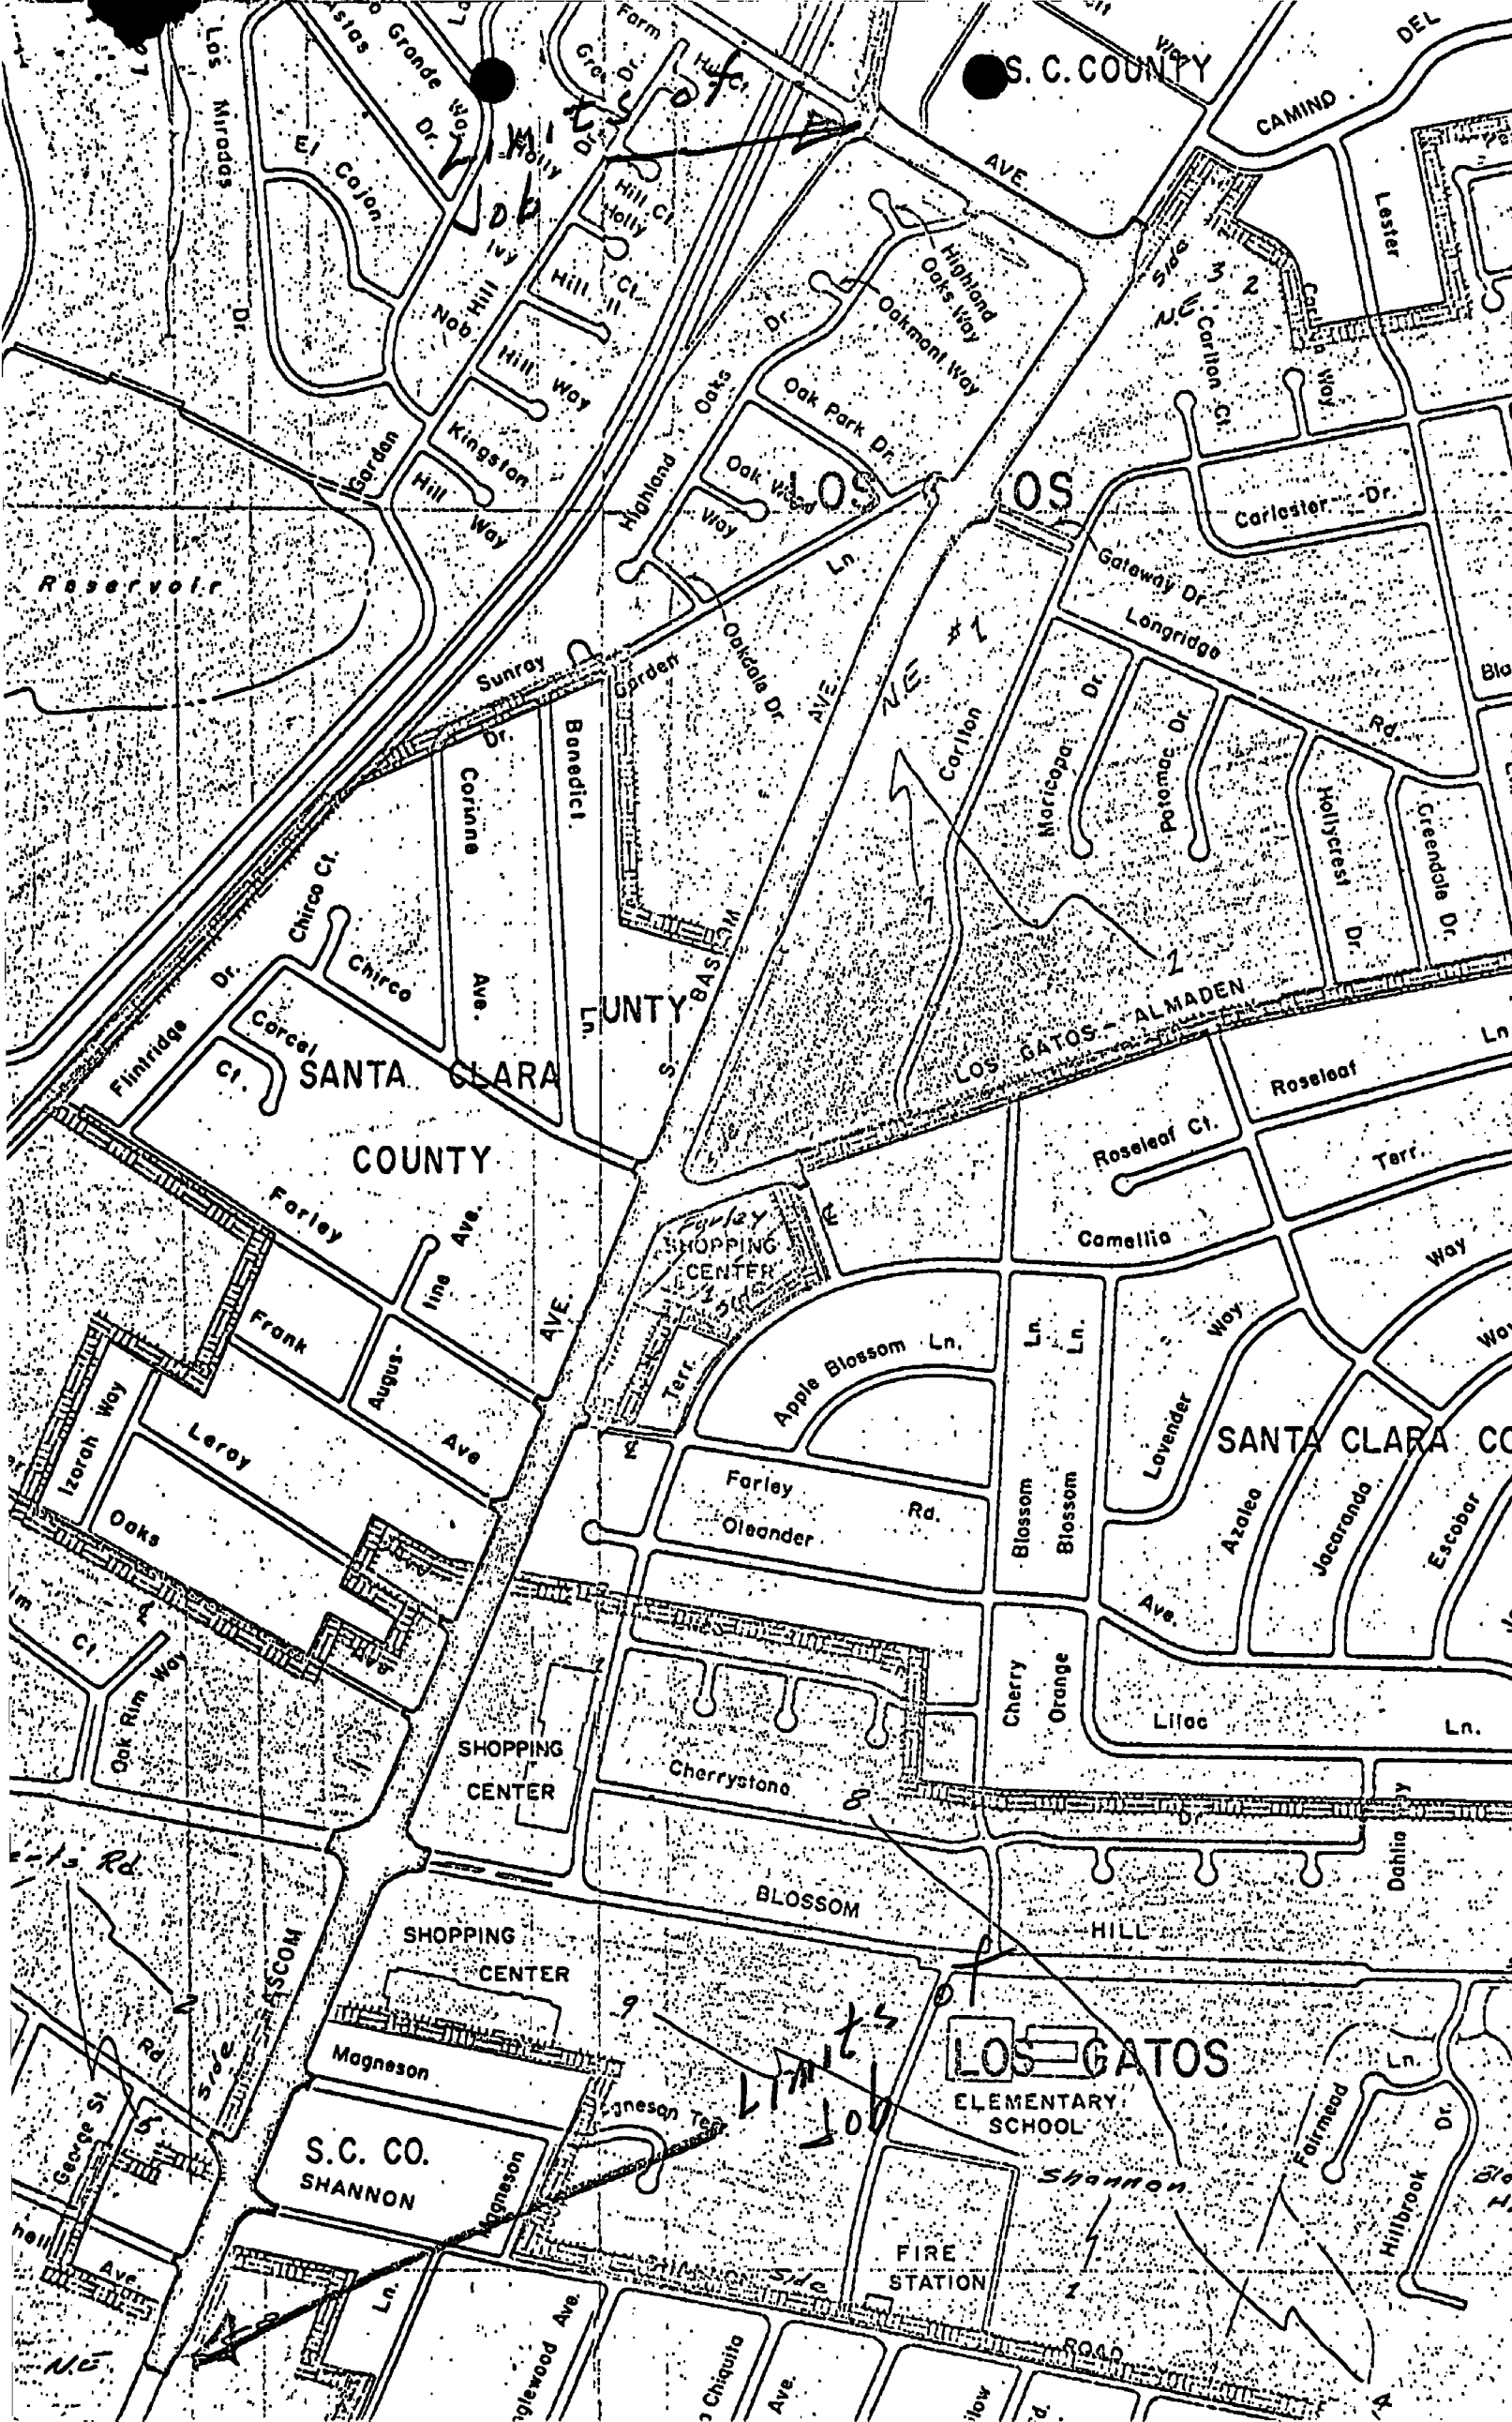

Very sincerely yours,

DONALD F. McINTYRE  
Town Manager

TRANSMITTAL MEMORANDUM

DEPARTMENT OF PUBLIC WORKS

DATE: December 3, 1965

FOR: BOARD OF SUPERVISORS AGENDA OF December 13, 19 65

FROM: Steffani, Design, Public Works

TITLE: Letter from Town Manager of Los Gatos Requesting a Joint Project

DESCRIPTION:

The San Jose-Los Gatos Road between the limits described in the letter is carrying a traffic load far in excess of its safe capacity. Funds are available in the current County budget for improvement of this road.

It is hereby recommended that the Department of Public Works be authorized to proceed with the preparation of a cooperative agreement and preparation of preliminary plans for the subject improvement.
