AGREEMENT BETWEEN COUNTY OF SANTA
CLARA AND THE TOWN OF LOS ALTOS
HILLS RELATIVE TO HIGHWAY FUNDS

This is an agreement between the County of Santa Clara, hereinafter called "County" and the Town of Los Altos Hills hereinafter called "Town".

WHEREAS, Town has funds to which it is entitled under the provisions of Streets and Highways Code Section 186.1 which may revert to the State Highway Fund under the provisions of Section 186.6; and

WHEREAS, County has a qualified project upon which such funds may be spent; and

WHEREAS, Town and County intend by this agreement to authorize the transfer of Town funds to County to be spent on an approved select system project and thereby prevent the loss of such funds from this area.

NOW, THEREFORE, IT IS AGREED:

1. Town agrees to transfer to County SEVENTEEN THOUSAND FIVE HUNDRED AND FIVE DOLLARS (17,505.00) in funds allocated to Town under Streets and Highways Code Section 186.1.

2. County agrees to accept such funds and to expend them on Central Expressway, Unit V, an approved select system project, before June 30, 1967. The County further agrees that County will provide the matching expenditures required by Section 186.5.

3. County agrees to allocate to Town's non-expressway allocation under the 1961 County Highway Bond Program a sum equal to the amount transferred to County. County agrees to expend the increased non-expressway allocation within Town in accordance with the Santa Clara County Expressway Policy Resolution.

4. In the event the Division of Highways of the State of California does not approve this Agreement or the State does not allow County to expend Town funds on Central Expressway Unit V, this agreement shall be of no force or effect and County shall not be obligated to increase the non-expressway allocation to Town under paragraph 3 above.
