Res No 6309

#7a

AGREEMENT BETWEEN THE COUNTY OF SANTA CLARA AND THE CITY OF MOUNTAIN VIEW FOR PAYMENT OF COSTS OF IMPROVEMENTS TO CENTRAL EXPRESSWAY, UNIT NO. I

THIS IS AN AGREEMENT, made and entered into as of this day of AUG 3 1964, 1964, by and between the County of Santa Clara (hereinafter called "County") and the City of Mountain View (hereinafter called "City").

WHEREAS, County plans to construct that portion of Central Expressway, Unit No. I, lying between Curling Avenue and Orchard Avenue and City plans to enlarge portions of and add to the proposed storm drain system to accommodate drainage from sections of the City of Mountain View; and

WHEREAS, part of the construction work proposed by City is and will be affected by part of the construction work to be done by County, and because of this City and County deem it to be in the best interests of orderly and economic construction practices to complete the work (hereinafter called "said project") under a single contract awarded and administered by County;

NOW, THEREFORE, County and City agree as follows:

- 1. County shall proceed with diligence to prepare plans, specifications and a list of estimated contract quantities for the construction of the improvements to the storm drain system incidental to Central Expressway between Curling Avenue and Orchard Avenue and shall submit the same forthwith to City for its approval.
2.(a) Upon approval of the aforesaid plans, specifications and estimated contract quantities, County shall proceed with diligence to award a single construction contract for the construction of said project, and to supervise the work of construction to completion.

(b) City shall have the right to present written revisions or changes in the aforesaid plans, specifications and contract quantities for the construction of the aforesaid portion of the

storm drain system in a form appropriate for the occasion; provided, however, that County shall not be required to approve the same if approval would cause County any undue delay in, or additional cost for, construction of the aforesaid portion of Central Expressway.

3. City's share of the work performed for City under the construction contract for said project shall be 2.96 percent of the total cost of construction of said project or \$33,187, whichever amount is the smaller.

4. City shall pay to County \$33,187 within thirty (30) days after the execution by the City of this agreement as payment for the work to be performed by County for City under this agreement.

5. County shall, within thirty (30) days after completion of the construction of said project make a final accounting of the total cost of the construction thereof and shall refund to City any difference between the total cost of construction and the amount deposited, if any.

6. It is anticipated that the construction of said project will commence on or before September 1, 1964.

IN WITNESS WHEREOF, County and City have caused the execution of this Agreement as of the day and year first above written.

AGREEMENT BETWEEN THE COUNTY OF SANTA CLARA AND THE CITY OF MOUNTAIN VIEW FOR PAYMENT OF COSTS OF IMPROVEMENTS TO CENTRAL EXPRESSWAY, UNIT NO. I

THIS IS AN AGREEMENT, made and entered into as of this \_\_\_\_\_ day of AUG 3 1964, 1964, by and between the County of Santa Clara (hereinafter called "County") and the City of Mountain View (hereinafter called "City").

WHEREAS, County plans to construct that portion of Central Expressway, Unit No. I, lying between Curling Avenue and Orchard Avenue and City plans to reconstruct and improve portions of the existing water distribution system lying beneath said portion of Central Expressway; and

WHEREAS, part of the construction work proposed by City is and will be affected by part of the construction work to be done by County, and because of this City and County deem it to be in the best interests of orderly and economic construction practices to complete the work (hereinafter called "said project") under a single contract awarded and administered by County;

NOW, THEREFORE, County and City agree as follows:

1. City shall proceed with diligence to prepare plans, specifications and a list of estimated contract quantities for the construction of the improvements to the water system beneath Central Expressway between Curling Avenue and Orchard Avenue and shall submit the same forthwith to County for its approval.

2.(a) Upon approval of the aforesaid plans, specifications and estimated contract quantities, County shall proceed with diligence to incorporate the same into County's plans and specifications for the construction of that portion of Central Expressway lying between Curling Avenue and Orchard Avenue, and to thereafter award a single construction contract

for the construction of said project, and to supervise the work of construction to completion.

(b) City shall have the right to present written revisions or changes in the aforesaid plans, specifications and contract quantities for the construction of the aforesaid portion of the water system in a form appropriate for the occasion; provided, however, that County shall not be required to approve the same if approval would cause County any undue delay in, or additional cost for, construction of the aforesaid portion of Central Expressway.

3. City's share of the work performed for City under the construction contract for said project shall be 6.70 percent of the total cost of construction of said project or \$75,000, whichever amount is the smaller.

4. City shall pay to County \$75,000 within thirty (30) days after the execution by the City of this agreement as payment for the work to be performed by County for City under this agreement.

5. County shall, within thirty (30) days after completion of the construction of said project make a final accounting of the total cost of the construction thereof and shall refund to City any difference between the total cost of construction and the amount deposited, if any.

6. It is anticipated that the construction of said project will commence on or before September 1, 1964.

IN WITNESS WHEREOF, County and City have caused the execution of this Agreement as of the day and year first above written.
