OF THE VEHICLE CODE APPLICABLE TO JEANIE LANE,
A PRIVATELY OWNED AND MAINTAINED ROAD

WHEREAS, the Board of Supervisors of the County of Santa Clara, acting in accordance with Section 21107.7 of the Vehicle Code, has held a duly noticed public hearing to determine whether or not Jeanie Lane, being a privately owned and maintained road, should be subject to the provisions of the Vehicle Code; and

WHEREAS, this Board finds and declares that such private road is not generally held open for the use of the public for purposes of vehicular traffic but by reason of their proximity to or connection with highways, the interests of any residents residing along such a road and the motoring public will be best served by application of provisions of the Vehicle Code;

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of the County of Santa Clara that Jeanie Lane is subject to the provisions of the Vehicle Code,

BE IT FURTHER RESOLVED that the Director of the Transportation Agency is directed to post at the entrance to the road a sign indicating that the road is subject to the Vehicle Code but is not a County-maintained road.

SUBJECT: RESOLUTION DECLARING THAT JEANIE LANE IS SUBJECT TO PROVISIONS OF THE VEHICLE CODE

RECOMMENDED ACTION:

Adopt the attached Resolution declaring Jeanie Lane to be subject to provisions of the Vehicle Code.

FISCAL IMPLICATION:

None. The residents will be required to reimburse the County for the costs of the signs and their installation.

REASONS FOR RECOMMENDATION:

The residents of Jeanie Lane have petitioned the County to make Jeanie Lane subject to provisions of the Vehicle Code.

The residents are concerned with pedestrian and vehicular traffic safety due to excessive vehicular speeds and other violations on this privately owned and privately maintained road.

BACKGROUND:

Jeanie Lane is a rural private road that serves 13 homes between New Avenue and Foothill Avenue. It is approximately 2/3 miles in length and has a pavement width of 16 feet plus 2 foot wide dirt shoulders on each side of the road.

Residents of Jeanie Lane have petitioned the County to declare Jeanie Lane subject to provisions of the Vehicle Code in order to help mitigate the speeding and other roadway problems occurring on their road.

Ten (10) resident/owners out of 13 or approximately 77% of the residential units, have signed a petition to participate in this enforcement effort (see attached petition).

\$250 has been received by this office to pay for the costs to purchase and install two (2) signs, one sign at each entrance to Jeanie Lane.

Dear Sirs

We had planned to attend the hearing on

JAN 14 1986, but we will be away on that date.

We are strongly in favor of the signs installed,
and the street being subject to the Vehicle Code
provisions,

Cars and trucks travel at excessive speeds
on the roads. These drivers are not residents.
and, as we have small children at times on
the street, this code may help protect them.

also feel free to call me anytime if I
can assist in making our street safer. We
do have the same support from all the
residents on Jeanie Lane.

Thank you
Dom & Jackie Lombardo

TO: COUNTY OF SANTA CLARA

WE HEREBY PETITION THE COUNTY TO INSTALL TWO SIGNS READING ;
"PRIVATE ROAD - VEHICLE CODE ENFORCED".

The two signs will be at each end of Jeanie Lane. Presently there are numerous cars using this road whose owners do not live on this street at all. Their speed is in some cases very excessive and could endanger the lives of children in the area. Also, this road ^{is} not New Avenue or Church which are County Roads.

We think the use of these signs should and would reduce present traffic and thus protect the lives of our children and also extend the life of our road.

Signatures of residents are on Page (2).
